

# Waste & Environmental Management

## About Us

**Value Added Solutions, Inc. (VAS)** is an Employee-Owned Small Business providing services to the U.S. Department of Energy (DOE) and its prime contractors. Established in December of 2005, VAS employees provide services in Technical Support Services; aiding our clients from our corporate office in Aiken, SC, and our Regional Offices in Oak Ridge, TN; Piketon, OH; Paducah, KY; Richland, WA; and Carlsbad, NM.

We offer small commercial and construction firms our on-site government contracting experience to help navigate companies through the contracting, heavy regulation-driven reporting, and submittal processes.

*The Company of Choice*

# Waste & Environmental Management

VAS provides waste and environmental management (EM) services to support our client's EM programs that protect the local area's environment and population health.

Our waste management team ensures waste is accurately characterized so that disposed materials comply with all regulations, including the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA).

Our environmental services include procedures, regulatory compliance, audits, hazardous materials management, pollution control, and training.

## Waste Management

- Waste planning and profiling
